

The Harvest Fields

Summer 2017

Hello Partners, Here are some news highlights from the Compassion Harvest Field.

Decision Day

The first 8 weeks of being back in Benin, the Lord led me to do a discipleship Bible study. The staff of approximately 20 teachers truly enjoyed it and towards the end of the classes, there were 3 that came to realize they did not really have that personal relationship with God and made decisions for the first time.

Too often there are those who can hide in church or school making professions of faith without possessions. Thanks to God for his grace upon these three to make it real.

Greater is He!

I know that wherever you are in the world, there's a need to know the power of our God, but often it is more needed and openly seen on the mission field.

Upon returning in February, Pastor Daniel & Maurice shared awesome news with me about a voodoo priest who for over several months & several attempts, thought he could destroy our church and both servants of God. He testified how the methods he used were always successful until he encountered us, or should I say - Our God. He came to realize like Pharaoh; "Our God is God" and has now made Him "His God". Glory !!!

Schools in Benin give a National Exam like our Standardized Achievement Test. When the results came in, our Calavi school was the only school that had 100% that passed and all passed above average.

In the Village, we were the only school that passed. Often in the villages, the type of education received is inferior because of the poorer conditions. His name (Compassion of CHRIST), be glorified!

Haitian News

I both regret & rejoice to inform you that our servant of servants staff member in Haiti, Jacques Marc Derisse - has been promoted to glory. There's no replacing a Jacques, someone who selflessly served God and CCWM with all his heart & strength. Enjoy your rest & reward Jacques.!

Communicate the Gospel & When Necessary, use Words.

Benin Team 2017 was an awesome group of people. They ministered in several villages and without saying a word. They had prepared silent skits that gave powerful messages that the national audience received loud & clear. Their labors of love also spoke for the God we serve.

silent skits

Calling All Pastors
 Pastor to Pastor Mission Summit
 Sat. Sept. 9th 2017
 Triumphant Faith International Worship Center
 401 Tabor Rd. 19120. \$25.
 Contact: Pastor David Street
