

The Harvest Fields

Winter 2018

Hello Partners, Happy New Year to All! It's been quite a while but know that I do my best to keep you informed of what the Lord is doing through Compassion to finish His task.

The Asian Frontier - I recently took an eight-week course entitled "Vision School" through an organization called INTERCP. It's a Korean based ministry sending over 1200 full-time "Young" missionaries to the Frontier nations. (The unreached and unengaged people groups that primarily live in the 10/40 Window and other parts of Eurasia.)

My heart is truly with the unreached peoples of the world & even though I may not be able to get there yet, my prayers and finances will always be focused there, for God's focus is THERE. And although a missionary of 38 years, I learned something as we should always be open to what the Lord is doing NOW. While I wait to be more active in India, I continue to disciple the two nations thus far God has entrusted me with.

Kids Dancing 10th Anniversary

Ten Year Anniversary - In Benin we not only greatly celebrated the birth of Christ but also the birth of CCWM in Benin with our 10th Anniversary. My, how time flies when you're having fun. These past ten years have been fun, challenging, triumphant and most of all – abundant & prosperous.

The ministry in Benin is 98% indigenous and autonomous, which leaves finances available to reach farther towards India and I give all the glory to God - "This is the Lord's doing, and it is marvelous in our eyes" *Psalm 118:23*

Fishers of Men - Finally, while in Benin I was able to go to the beach and saw a group of fishermen working hard to bring in a catch. It made me think of Jesus telling us that we are to be "fishers of men", there is no other thing more important as this mandate to make disciples of all nations", although many spend far too much focus, time, money, and energy doing substandard things in comparison to this. May God make His church to be again "Fishers of Men".

Gifts in Haiti for Children of Haiti

Speaking of gifts; I am so proud of my children in Haiti. This year's Christmas celebrations with the children in the village in Benin consisted of a hot lunch & a toy provided by the children in Haiti who over a period of 6-8 months gathered their little coins together for those even less fortunate than them in Africa. "For God so loved the world, He gave..."

Thank You - I would like to thank Heaven Bound Tabernacle, Pa. Pastor David Street. Word of Life Outreach Center N.J, Pastors Sharon & Victor Cooper and Faith Fellowship Baptist, Pastor James Edlow for providing the gifts this year. You put a smile on many a child's face.
